PROPOSED BALLOT TITLE

This measure amends the Oklahoma State Statutes. A yes vote legalizes the licensed use, sale, and growth of marijuana in Oklahoma for medicinal purposes. A license is required for use and possession of marijuana for medicinal purposes and must be approved by an Oklahoma Board Certified Physician. The State Department of Health will issue medical marijuana licenses if the applicant is eighteen years or older and an Oklahoma resident. A special exception will be granted to an applicant under the age of eighteen, however these applications must be signed by two physicians and a parent or legal guardian. The Department will also issue seller, grower, packaging, transportation, research and caregiver licenses. Individual and retail businesses must meet minimal requirements to be licensed to sell marijuana to licensees. The punishment for unlicensed possession of permitted amounts of marijuana for individuals who can state a medical condition is a fine not exceeding four hundred dollars. Fees and zoning restrictions are established. A seven percent state tax is imposed on medical marijuana sales.

Shall the proposal be approved?

For the proposal	-	YES
Against the proposal	-	NO

A "YES" vote is a vote in favor of this measure. A "NO" vote is a vote against this measure.

INITIATIVE PETITION

To the Honorable Mary Fallin, Governor of Oklahoma:

We, the undersigned legal voters of the State of Oklahoma, respectfully order that the following proposed law shall be submitted to the legal voters of the State of Oklahoma for their approval or rejection at the regular general election, to be held on the 8th day of November, 2016 (or at a special election as may be called by the Governor), and each for himself says: I have personally signed this petition; I am a legal voter of the State of Oklahoma; my residence or post office are correctly written after my name. The time for filing this petition expires ninety (90) days from _____. The question we herewith submit to our fellow voters is:

Shall the following bill be approved?

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 420 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. A person in possession of a state issued medical marijuana license shall be able to:

1. Consume marijuana legally;
2. Legally possess up to three (3) ounces of marijuana on their person;
3. Legally possess six (6) mature marijuana plants;
4. Legally possess six (6) seedling plants;
5. Legally possess one (1) ounce of concentrated marijuana;
6. Legally possess seventy-two (72) ounces of edible marijuana; and
7. Legally possess up to eight (8) ounces of marijuana in their residence.

B. Possession of up to one and one-half (1.5) ounces of marijuana by persons who can state a medical condition, but not in possession of a state issued medical marijuana license, shall constitute a misdemeanor offense with a fine not to exceed Four Hundred Dollars (\$400.00).

C. A regulatory office shall be established under the Oklahoma State Department of Health which will receive applications for medical license recipients, dispensaries, growers, and packagers within sixty (60) days of the passage of this initiative.

D. The Oklahoma State Department of Health shall within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a medical marijuana license. The license will be good for two (2) years, and the application fee will be One Hundred Dollars (\$100.00), or Twenty Dollars (\$20.00) for individuals on Medicaid, Medicare, or SoonerCare. The methods of payment will be provided on the website.

E. A temporary license application will also be available on the Oklahoma Department of Health website. A temporary medical marijuana license will be granted to any medical marijuana license holder from other states, provided that the state has a state regulated medical marijuana program, and the applicant can prove they are a member of such. Temporary licenses will be issued for thirty (30) days. The cost for a temporary license shall be One Hundred Dollars (\$100.00). Renewal will be granted with resubmission of a new application. No additional criteria will be required.

F. Medical marijuana license applicants will submit their application to the Oklahoma State Department of Health for approval and that the applicant must be an Oklahoma state resident and shall prove residency by a valid driver's license, utility bills, or other accepted methods.

G. The Oklahoma State Department of Health shall review the medical marijuana application, approve/reject the application, and mail the applicant's approval or rejection letter (stating reasons for rejection) to the applicant within fourteen (14) days of receipt of the application. Approved applicants will be issued a medical marijuana license which will act as proof of their approved status. Applications may only be rejected based on applicant not meeting stated criteria or improper completion of the application.

H. The Oklahoma State Department of Health will only keep the following records for each approved medical license:

1. a digital photograph of the license holder;
2. the expiration date of the license;
3. the county where the card was issued; and
4. a unique 24 character identification number assigned to the license.

I. The Department of Health will make available, both on its website, and through a telephone verification system, an easy method to validate a medical license holders authenticity by the unique 24 character identifier.

J. The State Department of Health will ensure that all application records and information are sealed to protect the privacy of medical license applicants.

K. A caregiver license will be made available for qualified caregivers of a medical marijuana license holder who is homebound. The caregiver license will give the caregiver the same rights as the medical license holder. Applicants for a caregiver license will submit proof of the medical marijuana license holder's license status and homebound status, that they are the designee of the medical marijuana license holder, must submit proof that the caregiver is age eighteen (18) or older, and must submit proof the caregiver is an Oklahoma resident. This will be the only criteria for a caregiver license.

L. All applicants must be eighteen (18) years or older. A special exception will be granted to an applicant under the age of eighteen (18), however these applications must be signed by two (2) physicians and the applicant's parent or legal guardian.

M. All applications for a medical license must be signed by an Oklahoma Board certified physician. There are no qualifying conditions. A medical marijuana license must be recommended according to the accepted standards a reasonable and prudent physician would follow when recommending or approving any medication. No physician may be unduly stigmatized or harassed for signing a medical marijuana license application.

N. Counties and cities may enact medical marijuana guidelines allowing medical marijuana license holders or caregivers to exceed the state limits set forth in subsection A of this section.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 421 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma State Department of Health shall within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a medical marijuana dispensary license. The application fee shall be Two Thousand Five Hundred Dollars (\$2,500.00) and a method of payment will be provided on the website. Retail applicants must all be Oklahoma state residents. Any entity applying for a retail license must be owned by an Oklahoma state resident and must be registered to do business in Oklahoma. The Oklahoma State Department of Health shall have two (2) weeks to review the application, approve or reject the application, and mail the approval/rejection letter (if rejected, stating reasons for rejection) to the applicant.

B. The Oklahoma State Department of Health must approve all applications which meet the following criteria:

1. Applicant must be age twenty-five (25) or older;
2. Any applicant, applying as an individual, must show residency in the state of Oklahoma;
3. All applying entities must show that all members, managers, and board members are Oklahoma residents;
4. An applying entity may show ownership of non-Oklahoma residents, but that percentage ownership may not exceed twenty-five percent (25%);
5. All applying individuals or entities must be registered to conduct business in the state of Oklahoma;
6. All applicants must disclose all ownership;
7. Applicant(s) with only nonviolent felony conviction(s) in the last two (2) years, any other felony conviction in 5 (years), inmates, or any person currently incarcerated may not qualify for a medical marijuana dispensary license.

C. Retailers will be required to complete a monthly sales report to the Oklahoma Department of Health. This report will be due on the 15th of each month and provide reporting on the previous month. This report will detail the weight of marijuana purchased at wholesale and the weight of marijuana sold to card holders, and account for any waste. The report will show total sales in dollars, tax collected in dollars, and tax due in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown is accounted for. A retailer will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

D. Only a licensed medical marijuana retailer may conduct retail sales of marijuana, or marijuana derivatives in the form provided by licensed processors, and these products can only be sold to a medical marijuana license holder or their caregiver. Penalties for fraudulent sales occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 422 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma State Department of Health will within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a commercial grower license. The application fee will be Two Thousand Five Hundred Dollars (\$2,500.00) and methods of payment will be provided on the website. The Oklahoma State Department of Health has two (2) weeks to review application, approve or reject the application, and mail the approval/rejection letter (if rejected, stating reasons for rejection) to the applicant.

B. The Oklahoma State Department of Health must approve all applications which meet the following criteria:

1. Applicant must be age twenty-five (25) or older;
2. Any applicant, applying as an individual, must show residency in the state of Oklahoma;
3. All applying entities must show that all members, managers, and board members are Oklahoma residents;
4. An applying entity may show ownership of non-Oklahoma residents, but that percentage ownership may not exceed twenty-five percent (25%);
5. All applying individuals or entities must be registered to conduct business in the state of Oklahoma;
6. All applicants must disclose all ownership;
7. Applicant(s) with only nonviolent felony conviction(s) in the last two (2) years, any other felony conviction in 5 (years), inmates, or any person currently incarcerated may not qualify for a commercial grower license.

C. A licensed commercial grower may sell marijuana to a licensed retailer, or a licensed packager. Further, these sales will be considered wholesale sales and not subject to taxation. Under no circumstances may a licensed commercial grower sell marijuana directly to a medical marijuana license holder. A licensed commercial grower may only sell at the wholesale level to a licensed retailer or a licensed processor. If the federal government lifts restrictions on buying and selling marijuana between states, then a licensed commercial grower would be allowed to sell and buy marijuana wholesale from, or to, an out of state wholesale provider. A licensed commercial grower will be required to complete a monthly yield and sales report to the Oklahoma Department of Health. This report will be due on the 15th of each month and provide reporting on the previous month. This report will detail amount of marijuana harvested in pounds, the amount of drying or dried marijuana on hand, the amount of marijuana sold to processors in pounds, the amount of waste in pounds, and the amount of marijuana sold to retailers in lbs. Additionally, this report will show total wholesale sales in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown is accounted for. A licensed grower will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting or sales occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

D. There shall be no limits on how much marijuana a licensed grower can grow.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 423 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma State Department of Health shall within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a medical marijuana processing license. The application fee shall be Two Thousand Five Hundred Dollars (\$2,500.00) and methods of payment will be provided on the website. The Oklahoma State Department of Health shall have two (2) weeks to review the application, approve or reject the application, and mail the approval/rejection letter (if rejected, stating reasons for rejection) to the applicant.

B. The Oklahoma State Department of Health must approve all applications which meet the following criteria:

1. Applicant must be age twenty-five (25) or older;
2. Any applicant, applying as an individual, must show residency in the state of Oklahoma;
3. All applying entities must show that all members, managers, and board members are Oklahoma residents;
4. An applying entity may show ownership of non-Oklahoma residents, but that percentage ownership may not exceed twenty-five percent (25%);
5. All applying individuals or entities must be registered to conduct business in the state of Oklahoma;
6. All applicants must disclose all ownership;
7. Applicant(s) with only nonviolent felony conviction(s) in the last two (2) years, any other felony conviction in 5 (years), inmates, or any person currently incarcerated may not qualify for a medical marijuana processing license.

C. A licensed processor may take marijuana plants and distill or process these plants into concentrates, edibles, and other forms for consumption. As required by subsection D of this section, the Oklahoma State Department of Health will, within sixty (60) days of passage of this initiative, make

available a set of standards which will be used by licensed processors in the preparation of edible marijuana products. This should be in line with current food preparation guidelines and no excessive or punitive rules may be established by the Oklahoma State Department of Health. Once a year, the Oklahoma State Department of Health may inspect a processing operation and determine its compliance with the preparation standards. If deficiencies are found, a written report of deficiency will be issued to the processor. The processor will have one (1) month to correct the deficiency or be subject to a fine of Five Hundred Dollars (\$500.00) for each deficiency. A licensed processor may sell marijuana products it creates to a licensed retailer, or any other licensed processor. Further, these sales will be considered wholesale sales and not subject to taxation. Under no circumstances may a licensed processor sell marijuana, or any marijuana product, directly to a medical marijuana license holder. However, a licensed processor may process cannabis into a concentrated form, for a medical license holder, for a fee. Processors will be required to complete a monthly yield and sales report to the Oklahoma State Department of Health. This report will be due on the 15th of each month and provide reporting on the previous month. This report will detail amount of marijuana purchased in pounds, the amount of marijuana cooked or processed in pounds, and the amount of waste in pounds. Additionally, this report will show total wholesale sales in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown is accounted for. A licensed processor will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

D. The inspection and compliance of processors producing products with marijuana as an additive. The Oklahoma State Department of Health will be compelled to, within thirty (30) days of passage of this initiative, appoint a board of twelve (12) Oklahoma residents, who are marijuana industry experts, to create a list of food safety standards for processing and handling medical marijuana in Oklahoma. These standards will be adopted by the agency and the agency can enforce these standards for processors. The agency will develop a standards review procedure and these standards can be altered by calling another board of twelve (12) Oklahoma marijuana industry experts. A signed letter of twenty (20) operating processors would constitute a need for a new board and standard review.

E. If it becomes permissible, under federal law, marijuana may be moved across state lines.

F. Any device used for the consumption of medical marijuana shall be considered legal to be sold, manufactured, distributed, and possessed. No merchant, wholesaler, manufacturer, or individual may unduly be harassed or prosecuted for selling, manufacturing, or possession of medical marijuana paraphernalia.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 424 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. A marijuana transportation license will be issued to qualifying applicants for a marijuana retail, growing, or processing license. The transportation license will be issued at the time of approval of a retail, growing, or processing license.

B. A transportation license will allow the holder to transport marijuana from an Oklahoma licensed medical marijuana retailer, licensed growing facility, or licensed processor facility to an Oklahoma licensed medical marijuana retailer, licensed growing facility, or licensed processing facility.

C. All marijuana or marijuana products shall be transported in a locked container and clearly labeled "Medical Marijuana or Derivative".

SECTION 6. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 425 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for his status as a medical marijuana license holder, unless failing to do so would imminently cause the school or landlord to lose a monetary or licensing related benefit under federal law or regulations.

B. Unless a failure to do so would cause an employer to imminently lose a monetary or licensing related benefit under federal law or regulations, an employer may not discriminate against a person in hiring, termination or imposing any term or condition of employment or otherwise penalize a person based upon either:

1. The person's status as a medical marijuana license holder; or
2. Employers may take action against a holder of a medical marijuana license holder if the holder uses or possesses marijuana while in the holder's place of employment or during the hours of employment. Employers may not take action against the holder of a medical marijuana license solely based upon the status of an employee as a medical marijuana license holder or the results of a drug test showing positive for marijuana or its components.

C. For the purposes of medical care, including organ transplants, a medical marijuana license holder's authorized use of marijuana must be considered the equivalent of the use of any other medication under the direction of a physician and does not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care.

D. No medical marijuana license holder may be denied custody of or visitation or parenting time with a minor, and there is no presumption of neglect or child endangerment for conduct allowed under this law, unless the person's behavior creates an unreasonable danger to the safety of the minor.

E. No person holding a medical marijuana license may unduly be withheld from holding a state issued license by virtue of their being a medical marijuana license holder. This would include such things as a concealed carry permit.

F. No city or local municipality may unduly change or restrict zoning laws to prevent the opening of a retail marijuana establishment.

G. The location of any retail marijuana establishment is specifically prohibited within one thousand (1,000) feet from any public or private school entrance.

H. Research will be provided under this law. A researcher may apply to the Oklahoma Department of Health for a special research license. That license will be granted, provided the applicant meet the criteria listed under Section 421. B. Research license holders will be required to file monthly consumption reports to the Oklahoma Department of Health with amounts of marijuana used for research.

SECTION 7. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 426 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The tax on retail medical marijuana sales will be established at seven percent (7%) of the gross amount received by the seller.

B. This tax will be collected at the point of sale. Tax proceeds will be applied primarily to finance the regulatory office.

C. If proceeds from the levy authorized by subsection A of this section exceed the budgeted amount for running the regulatory office, any surplus shall be apportioned with seventy-five percent (75%) going to the General Revenue Fund and may only be expended for common education. Twenty-five percent (25%) shall be apportioned to the Oklahoma State Department of Health and earmarked for drug and alcohol rehabilitation.

SECTION 8. The provisions hereof are severable, and if any part or provision hereof shall be void, invalid, or unconstitutional, the decision of the court so holding shall not affect or impair any of the remaining parts or provision hereof, and the remaining provisions hereof shall continue in full force and effect.

SECTION 9. This act shall become effective one (1) month immediately following its passage.

SIGNATURES

The gist of the proposition is as follows: This measure legalizes medical marijuana for residents with a recommendation from an Oklahoma Board Certified Physician. It also legalizes commercial medical marijuana dispensary, growing, and processing licenses regulated by the Department of Health. It protects card holders from discrimination and lowers penalties for unlicensed possession.

WARNING

It is a felony for anyone to sign an initiative or referendum petition with any name other than his own, or knowingly to sign his name more than once for the measure, or to sign such petition when he is not a legal voter.

PUBLIC NOTICE FEMA-4256-DR-OK

The Federal Emergency Management Agency (FEMA) hereby gives notice to the public of its intent to reimburse eligible applicants for eligible costs to repair and/or replace facilities damaged by Severe Winter Storms and Flooding, occurring during the period December 26, 2015 thru January 5, 2016. This notice applies to the Public Assistance (PA) and Hazard Mitigation Grant (HMGP) programs implemented under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5206.

Under a major disaster declaration (FEMA-4256-DR-OK) signed by the President on February 10, 2016, the following Counties have been designated eligible for PA: Adair, Alfalfa, Beckham, Blaine, Caddo, Canadian, Cherokee, Coal, Comanche, Cotton, Craig, Custer, Delaware, Dewey, Grady, Grant, Greer, Harmon, Haskell, Hughes, Jackson, Kay, Kingfisher, Kiowa, Latimer, Major, Mayes, McCurtain, McIntosh, Muskogee, Noble, Okfuskee, Okmulgee, Osage, Pittsburg, Pushmataha, Roger Mills, Sequoyah, Tillman, Washita, and Woods counties. All Counties in the State of Oklahoma are eligible for HMGP.

This public notice concerns activities that may affect historic properties, activities that are located in or affect wetland areas or the 100-year floodplain, and critical actions within the 500-year floodplain. Such activities may adversely affect the historic property, floodplain or wetland, or may result in continuing vulnerability to flood damage.

Presidential Executive Orders 11988 and 11990 require that all federal actions in or affecting the floodplain or wetlands be reviewed for opportunities to relocate, and evaluated for social, economic, historical, environmental, legal and safety considerations. Where there is no opportunity to relocate, FEMA is required to undertake a detailed review to determine what measures can be taken to minimize future damages. The public is invited to participate in the process of identifying alternatives and analyzing their impacts.

FEMA has determined that for certain types of facilities there are normally no alternatives to restoration in the floodplain/wetland. These are facilities that meet all of the following criteria: 1) FEMA's estimate of the cost of repairs is less than 50% of the cost to replace the entire facility, and is less than \$100,000; 2) the facility is not located in a floodway; 3) the facility has not sustained major structural damage in a previous Presidentially declared flooding disaster or emergency; and 4) the facility is not critical (e.g., the facility is not a hospital, generating plant, emergency operations center, or a facility that contains dangerous materials). FEMA intends to provide assistance for the restoration of these facilities to their pre-disaster condition, except that certain measures to mitigate the effects of future flooding or other hazards may be included in the work. For example, a bridge or culvert restoration may include a larger waterway opening to decrease the risk of future washouts.

For routine activities, this will be the only public notice provided. Other activities and those involving facilities that do not meet the four criteria are required to undergo more detailed review, including study of alternate locations. Subsequent public notices regarding such projects will be published if necessary, as more specific information becomes available.

In many cases, an applicant may have started facility restoration before federal involvement. FEMA will conduct a review and analysis of alternate locations. FEMA will fund all eligible costs to repair and/or replace facilities damaged by Severe Winter Storms and Flooding, occurring during the period November 27, 2015-November 29, 2015. This notice applies to the Public Assistance (PA) and Hazard Mitigation Grant (HMGP) programs implemented under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5206.

restoration at the original location if the facility is functionally dependent on its floodplain location (e.g., bridges and flood control facilities), or the project facilitates an open space use, or the facility is an integral part of a larger network that is impractical or uneconomical to relocate, such as a road. In such cases, FEMA must also examine the possible effects of not restoring the facility, minimize floodplain/wetland impacts, and determine both that an overriding public need for the facility clearly outweighs the Executive Order requirements to avoid the floodplain/wetland, and that the site is the only practicable alternative. State of Oklahoma and local officials will confirm to FEMA that proposed actions comply with all applicable State and local floodplain management and wetland protection requirements.

FEMA also intends to provide HMGP funding to the State of Oklahoma to mitigate future disaster damages. These projects may include construction of new facilities, modification of existing, undamaged facilities, relocation of facilities out of floodplains, demolition of structures, or other types of projects to mitigate future disaster damages. In the course of developing project proposals, subsequent public notices will be published if necessary, as more specific information becomes available.

The National Historic Preservation Act requires federal agencies to take into account the effects of their undertakings on historic properties. Those actions or activities affecting buildings, structures, districts or objects 50 years or older or that affect archeological sites or undisturbed ground will require further review to determine if the property is eligible for listing in the National Register of Historic Places (Register). If the property is determined to be eligible for the Register, and FEMA's undertaking will adversely affect it, FEMA will provide additional public notices. For historic properties not adversely affected by FEMA's undertaking, this will be the only public notice.

As noted, this may be the only public notice regarding the above-described actions under the PA and HMGP programs. Interested persons may obtain information about these actions or a specific project by writing to Kevin Jaynes, Regional Environmental Officer, Federal Emergency Management Agency, Region VI, 800 North Loop 288, Denton, TX 76209. Comments should be sent in writing within 15 days of the date of this notice.

INITIATIVE PETITION

To the Honorable Mary Fallin, Governor of Oklahoma:

We, the undersigned legal voters of the State of Oklahoma, respectfully order that the following proposed law shall be submitted to the legal voters of the State of Oklahoma for their approval or rejection at the regular general election, to be held on the 8th day of November, 2016 (or at a special election as may be called by the Governor), and each for himself says: I have personally signed this petition; I am a legal voter of the State of Oklahoma; my residence or post office are correctly written after my name. The time for filing this petition expires ninety (90) days from May 14, 2016. The question we herewith submit to our fellow voters is:

Shall the following bill be approved?

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 420 of Title 63, unless there is created a duplication in numbering, reads as follows:

- A. A person in possession of a state issued medical marijuana license shall be able to:
1. Consume marijuana legally;
 2. Legally possess up to three (3) ounces of marijuana on their person;
 3. Legally possess six (6) mature marijuana plants;
 4. Legally possess six (6) seedling plants;
 5. Legally possess one (1) ounce of concentrated marijuana;
 6. Legally possess seventy-two (72) ounces of edible marijuana; and
 7. Legally possess up to eight (8) ounces of marijuana in their residence.

B. Possession of up to one and one-half (1.5) ounces of marijuana by persons who can state a medical condition, but not in possession of a state issued medical marijuana license, shall constitute a misdemeanor offense with a fine not to exceed Four Hundred Dollars (\$400.00).

C. A regulatory office shall be established under the Oklahoma State Department of Health which will receive applications for medical license recipients, dispensaries, growers, and packagers within sixty (60) days of the passage of this initiative.

D. The Oklahoma State Department of Health shall within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a medical marijuana license. The license will be good for two (2) years, and the application fee will be One Hundred Dollars (\$100.00), or Twenty Dollars (\$20.00) for individuals on Medicaid, Medicare, or SoonerCare. The methods of payment will be provided on the website.

E. A temporary license application will also be available on the Oklahoma Department of Health website. A temporary medical marijuana license will be granted to any medical marijuana license holder from other states, provided that the state has a state regulated medical marijuana program, and the applicant can prove they are a member of such. Temporary licenses will be issued for thirty (30) days. The cost for a temporary license shall be One Hundred Dollars (\$100.00). Renewal will be granted with resubmission of a new application. No additional criteria will be required.

F. Medical marijuana license applicants will submit their application to the Oklahoma State Department of Health for approval and that the applicant must be an Oklahoma state resident and shall prove residency by a valid driver's license, utility bills, or other accepted methods.

G. The Oklahoma State Department of Health shall review the medical marijuana application, approve/reject the application, and mail the applicant's approval or rejection letter (stating reasons for rejection) to the applicant within fourteen (14) days of receipt of the application. Approved applicants will be issued a medical marijuana license which will act as proof of their approved status. Applications may only be rejected based on applicant not meeting stated criteria or improper completion of the application.

H. The Oklahoma State Department of Health will only keep the following records for each approved medical license:

1. a digital photograph of the license holder;
2. the expiration date of the license;
3. the county where the card was issued; and
4. a unique 24 character identification number assigned to the license.

I. The Department of Health will make available, both on its website, and through a telephone verification system, an easy method to validate a medical license holders authenticity by the unique 24 character identifier.

J. The State Department of Health will ensure that all application records and information are sealed to protect the privacy of medical license applicants.

K. A caregiver license will be made available for qualified caregivers of a medical marijuana license holder who is homebound. The caregiver license will give the caregiver the same rights as the medical license holder. Applicants for a caregiver license will submit proof of the medical marijuana license holder's license status and homebound status, that they are the designee of the medical marijuana license holder, must submit proof that the caregiver is age eighteen (18) or older, and must submit proof the caregiver is an Oklahoma resident. This will be the only criteria for a caregiver license.

L. All applicants must be eighteen (18) years or older. A special exception will be granted to an applicant under the age of eighteen (18), however these applications must be signed by two (2) physicians and the applicant's parent or legal guardian.

M. All applications for a medical license must be signed by an Oklahoma Board certified physician. There are no qualifying conditions. A medical marijuana license must be recommended according to the accepted standards a reasonable and prudent physician would follow when recommending or approving any medication. No physician may be unduly stigmatized or harassed for signing a medical marijuana license application.

N. Counties and cities may enact medical marijuana guidelines allowing medical marijuana license holders or caregivers to exceed the state limits set forth in subsection A of this section.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 421 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma State Department of Health shall within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a medical marijuana dispensary license. The application fee shall be Two Thousand Five Hundred Dollars (\$2,500.00) and a method of payment will be provided on the website. Retail applicants must all be Oklahoma state residents. Any entity applying for a retail license must be owned by an Oklahoma state resident and must be registered to do business in Oklahoma. The Oklahoma State Department of Health shall have two (2) weeks to review the application, approve or reject the application, and mail the approval/rejection letter (if rejected, stating reasons for rejection) to the applicant.

B. The Oklahoma State Department of Health must approve all applications which meet the following criteria:

1. Applicant must be age twenty-five (25) or older;
2. Any applicant, applying as an individual, must show residency in the state of Oklahoma;
3. All applying entities must show that all members, managers, and board members are Oklahoma residents;
4. An applying entity may show ownership of non-Oklahoma residents, but that percentage ownership may not exceed twenty-five percent (25%);
5. All applying individuals or entities must be registered to conduct business in the state of Oklahoma;
6. All applicants must disclose all ownership;
7. Applicant(s) with only nonviolent felony conviction(s) in the last two (2) years, any other felony conviction in 5 (years), inmates, or any person currently incarcerated may not qualify for a medical marijuana dispensary license.

C. Retailers will be required to complete a monthly sales report to the Oklahoma Department of Health. This report will be due on the 15th of each month and provide reporting on the previous month. This report will detail the weight of marijuana purchased at wholesale and the weight of marijuana sold to card holders, and account for any waste. The report will show total sales in dollars, tax collected in dollars, and tax due in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown is accounted for. A retailer will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

D. Only a licensed medical marijuana retailer may conduct retail sales of marijuana, or marijuana derivatives in the form provided by licensed processors, and these products can only be sold to a medical marijuana license holder or their caregiver. Penalties for fraudulent sales occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 422 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma State Department of Health will within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a commercial grower license. The application fee will be Two Thousand Five Hundred Dollars (\$2,500.00) and methods of payment will be provided on the website. The Oklahoma State Department of Health has two (2) weeks to review application, approve or reject the application, and mail the approval/rejection letter (if rejected, stating reasons for rejection) to the applicant.

B. The Oklahoma State Department of Health must approve all applications which meet the following criteria:

1. Applicant must be age twenty-five (25) or older;
2. Any applicant, applying as an individual, must show residency in the state of Oklahoma;
3. All applying entities must show that all members, managers, and board members are Oklahoma residents;
4. An applying entity may show ownership of non-Oklahoma residents, but that percentage ownership may not exceed twenty-five percent (25%);
5. All applying individuals or entities must be registered to conduct business in the state of Oklahoma;
6. All applicants must disclose all ownership;
7. Applicant(s) with only nonviolent felony conviction(s) in the last two (2) years, any other felony conviction in 5 (years), inmates, or any person currently incarcerated may not qualify for a commercial grower license.

C. A licensed commercial grower may sell marijuana to a licensed retailer, or a licensed packager. Further, these sales will be considered wholesale sales and not subject to taxation. Under no circumstances may a licensed commercial grower sell marijuana directly to a medical marijuana license holder. A licensed commercial grower may only sell at the wholesale level to a licensed retailer or a licensed processor. If the federal government lifts restrictions on buying and selling marijuana between states, then a licensed commercial grower would be allowed to sell and buy marijuana wholesale from, or to, an out of state wholesale provider. A licensed commercial grower will be required to complete a monthly yield and sales report to the Oklahoma Department of Health. This report will be due on the 15th of each month and provide reporting on the previous month. This report will detail amount of marijuana harvested in pounds, the amount of drying or dried marijuana on hand, the amount of marijuana sold to processors in pounds, the amount of waste in pounds, and the amount of marijuana sold to retailers in lbs. Additionally, this report will show total wholesale sales in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown is accounted for. A licensed grower will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting or sales occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

D. There shall be no limits on how much marijuana a licensed grower can grow.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 423 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma State Department of Health shall within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a medical marijuana processing license. The application fee shall be Two Thousand Five Hundred Dollars (\$2,500.00) and methods of payment will be provided on the website. The Oklahoma State Department of Health shall have two (2) weeks to review the application, approve or reject the application, and mail the approval/rejection letter (if rejected, stating reasons for rejection) to the applicant.

B. The Oklahoma State Department of Health must approve all applications which meet the following criteria:

1. Applicant must be age twenty-five (25) or older;
2. Any applicant, applying as an Individual, must show residency in the state of Oklahoma;
3. All applying entities must show that all members, managers, and board members are Oklahoma residents;
4. An applying entity may show ownership of non-Oklahoma residents, but that percentage ownership may not exceed twenty-five percent (25%);
5. All applying individuals or entities must be registered to conduct business in the state of Oklahoma;
6. All applicants must disclose all ownership;
7. Applicant(s) with only nonviolent felony conviction(s) in the last two (2) years, any other felony conviction in 5 (years), inmates, or any person currently incarcerated may not qualify for a medical marijuana processing license.

C. A licensed processor may take marijuana plants and distill or process these plants into concentrates, edibles, and other forms for consumption. As required by subsection D of this section, the Oklahoma State Department of Health will, within sixty (60) days of passage of this initiative, make

available a set of standards which will be used by licensed processors in the preparation of edible marijuana products. This should be in line with current food preparation guidelines and no excessive or punitive rules may be established by the Oklahoma State Department of Health. Once a year, the Oklahoma State Department of Health may inspect a processing operation and determine its compliance with the preparation standards. If deficiencies are found, a written report of deficiency will be issued to the processor. The processor will have one (1) month to correct the deficiency or be subject to a fine of Five Hundred Dollars (\$500.00) for each deficiency. A licensed processor may sell marijuana products it creates to a licensed retailer, or any other licensed processor. Further, these sales will be considered wholesale sales and not subject to taxation. Under no circumstances may a licensed processor sell marijuana, or any marijuana product, directly to a medical marijuana license holder. However, a licensed processor may process cannabis into a concentrated form, for a medical license holder, for a fee. Processors will be required to complete a monthly yield and sales report to the Oklahoma State Department of Health. This report will be due on the 15th of each month and provide reporting on the previous month. This report will detail amount of marijuana purchased in pounds, the amount of marijuana cooked or processed in pounds, and the amount of waste in pounds. Additionally, this report will show total wholesale sales in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown is accounted for. A licensed processor will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

D. The inspection and compliance of processors producing products with marijuana as an additive. The Oklahoma State Department of Health will be compelled to, within thirty (30) days of passage of this initiative, appoint a board of twelve (12) Oklahoma residents, who are marijuana industry experts, to create a list of food safety standards for processing and handling medical marijuana in Oklahoma. These standards will be adopted by the agency and the agency can enforce these standards for processors. The agency will develop a standards review procedure and these standards can be altered by calling another board of twelve (12) Oklahoma marijuana industry experts. A signed letter of twenty (20) operating processors would constitute a need for a new board and standard review.

E. If it becomes permissible, under federal law, marijuana may be moved across state lines.

F. Any device used for the consumption of medical marijuana shall be considered legal to be sold, manufactured, distributed, and possessed. No merchant, wholesaler, manufacturer, or individual may unduly be harassed or prosecuted for selling, manufacturing, or possession of medical marijuana paraphernalia.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 424 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. A marijuana transportation license will be issued to qualifying applicants for a marijuana retail, growing, or processing license. The transportation license will be issued at the time of approval of a retail, growing, or processing license.

B. A transportation license will allow the holder to transport marijuana from an Oklahoma licensed medical marijuana retailer, licensed growing facility, or licensed processor facility to an Oklahoma licensed medical marijuana retailer, licensed growing facility, or licensed processing facility.

C. All marijuana or marijuana products shall be transported in a locked container and clearly labeled "Medical Marijuana or Derivative".

SECTION 6. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 425 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for his status as a medical marijuana license holder, unless failing to do so would imminently cause the school or landlord to lose a monetary or licensing related benefit under federal law or regulations.

B. Unless a failure to do so would cause an employer to imminently lose a monetary or licensing related benefit under federal law or regulations, an employer may not discriminate against a person in hiring, termination or imposing any term or condition of employment or otherwise penalize a person based upon either:

1. The person's status as a medical marijuana license holder; or
2. Employers may take action against a holder of a medical marijuana license holder if the holder uses or possesses marijuana while in the holder's place of employment or during the hours of employment. Employers may not take action against the holder of a medical marijuana license solely based upon the status of an employee as a medical marijuana license holder or the results of a drug test showing positive for marijuana or its components.

C. For the purposes of medical care, including organ transplants, a medical marijuana license holder's authorized use of marijuana must be considered the equivalent of the use of any other medication under the direction of a physician and does not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care.

D. No medical marijuana license holder may be denied custody of or visitation or parenting time with a minor, and there is no presumption of neglect or child endangerment for conduct allowed under this law, unless the person's behavior creates an unreasonable danger to the safety of the minor.

E. No person holding a medical marijuana license may unduly be withheld from holding a state issued license by virtue of their being a medical marijuana license holder. This would include such things as a concealed carry permit.

F. No city or local municipality may unduly change or restrict zoning laws to prevent the opening of a retail marijuana establishment.

G. The location of any retail marijuana establishment is specifically prohibited within one thousand (1,000) feet from any public or private school entrance.

H. Research will be provided under this law. A researcher may apply to the Oklahoma Department of Health for a special research license. That license will be granted, provided the applicant meet the criteria listed under Section 421. B. Research license holders will be required to file monthly consumption reports to the Oklahoma Department of Health with amounts of marijuana used for research.

SECTION 7. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 426 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The tax on retail medical marijuana sales will be established at seven percent (7%) of the gross amount received by the seller.

B. This tax will be collected at the point of sale. Tax proceeds will be applied primarily to finance the regulatory office.

C. If proceeds from the levy authorized by subsection A of this section exceed the budgeted amount for running the regulatory office, any surplus shall be apportioned with seventy-five percent (75%) going to the General Revenue Fund and may only be expended for common education. Twenty-five percent (25%) shall be apportioned to the Oklahoma State Department of Health and earmarked for drug and alcohol rehabilitation.

SECTION 8. The provisions hereof are severable, and if any part or provision hereof shall be void, invalid, or unconstitutional, the decision of the court so holding shall not affect or impair any of the remaining parts or provision hereof, and the remaining provisions hereof shall continue in full force and effect.

SECTION 9. This act shall become effective one (1) month immediately following its passage.

SIGNATURES

The gist of the proposition is as follows: This measure legalizes medical marijuana for residents with a recommendation from an Oklahoma Board Certified Physician. It also legalizes commercial medical marijuana dispensary, growing, and processing licenses regulated by the Department of Health. It protects card holders from discrimination and lowers penalties for unlicensed possession.

WARNING

It is a felony for anyone to sign an initiative or referendum petition with any name other than his own, or knowingly to sign his name more than once for the measure, or to sign such petition when he is not a legal voter.

RE: Ballot Title for State Question No. 788, Initiative Petition No. 412

Dear Secretary Benge:

In accordance with the provisions of 34 O.S.Supp.2015, § 9(D)(1), we have reviewed the Proposed Ballot Title for the above-referenced State Question and conclude that it does not comply with applicable laws for the following reasons.

It fails to adequately explain the effect of the proposition because, as among other things:

- it does not explain that marijuana will be a non-prescription drug nor accurately explain the role of the physician;
- it does not sufficiently address zoning restrictions insofar as it fails to specify that a municipality's power to restrict or change zoning laws is limited; and
- it does not explain that the measure would not affect constitutionally-enacted federal law to the contrary.

Having found that the Proposed Ballot Title does not comply with applicable laws, we will, in accordance with the provisions of 34 O.S.Supp.2015, § 9(D)(1), within ten business days, prepare a ballot title which complies with the law and furnish a copy to you.

Sincerely,

**RE: Secretary of State's Certification to the Court of the Physical Signature Count for
State Question 788, Initiative Petition 412 (subject: Medical Marijuana)**

Dear Chief Justice Reif:

Pursuant to the provisions of Title 34 O.S., Sections 6.1 and 8, the Secretary of State certifies to the Supreme Court the following details:

- Six (6) boxes of signature pamphlets, for State Question 788, Initiative Petition 412, were received by our office on August 11, 2016.
- The Secretary of State began the physical count of signatures on August 18, 2016 at 1:00 p.m. Said count was concluded on August 23, 2016 at 4:00 p.m.
- Individual signature sheets are page numbered 1 through 3,895 and bound in a total of 20 volumes. Volumes 1 through 19 contain 200 signature sheets per volume and Volume 20 contains a total of 95 signature sheets.
- Several signatures on page 3,804 were not included in the count as they were duplicates of signatures which had first appeared and were counted on page 3,803.
- Page numbers 3,806 through 3,891 were not included in such physical count due to either improper/incomplete notarizations or incomplete circulator affidavits.
- The Secretary of State certifies the total number of signatures counted for State Question 788, Initiative Petition 412 is **67,801**.
- The Secretary of State affirms the State Election Board has certified that a total of 824,831 votes were cast for the office of Governor at the General Election in November 2014.

- The Secretary of State also certifies that proponents' proposed ballot title was submitted to the Attorney General's office August 15, 2016 for review as to legal correctness. The Attorney General's ballot title review was filed with the Secretary of State's office on August 18, 2016.

In support of the details so certified, please find attached the following documents:

- A. Copy of State Question 788, Initiative Petition 412
- B. Tabulation Sheets for SQ 788, IP 412
- C. Total votes cast as certified by the State Election Board--SOS Doc# 047220
- D. Attorney General's ballot title review, filed with S.O.S. 08-18-2016

Please be advised that this office is prepared to provide the Court with additional information or assistance as needed.

INITIATIVE PETITION

To the Honorable Mary Fallin, Governor of Oklahoma:

We, the undersigned legal voters of the State of Oklahoma, respectfully order that the following proposed law shall be submitted to the legal voters of the State of Oklahoma for their approval or rejection at the regular general election, to be held on the 8th day of November, 2016 (or at a special election as may be called by the Governor), and each for himself says: I have personally signed this petition; I am a legal voter of the State of Oklahoma; my residence or post office are correctly written after my name. The time for filing this petition expires ninety (90) days from May 14, 2016. The question we herewith submit to our fellow voters is:

Shall the following bill be approved?

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 420 of Title 63, unless there is created a duplication in numbering, reads as follows:

- A. A person in possession of a state issued medical marijuana license shall be able to:
 - 1. Consume marijuana legally;
 - 2. Legally possess up to three (3) ounces of marijuana on their person;
 - 3. Legally possess six (6) mature marijuana plants;
 - 4. Legally possess six (6) seedling plants;
 - 5. Legally possess one (1) ounce of concentrated marijuana;
 - 6. Legally possess seventy-two (72) ounces of edible marijuana; and
 - 7. Legally possess up to eight (8) ounces of marijuana in their residence.
- B. Possession of up to one and one-half (1.5) ounces of marijuana by persons who can state a medical condition, but not in possession of a state issued medical marijuana license, shall constitute a misdemeanor offense with a fine not to exceed Four Hundred Dollars (\$400.00).
- C. A regulatory office shall be established under the Oklahoma State Department of Health which will receive applications for medical license recipients, dispensaries, growers, and packagers within sixty (60) days of the passage of this initiative.
- D. The Oklahoma State Department of Health shall within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a medical marijuana license. The license will be good for two (2) years, and the application fee will be One Hundred Dollars (\$100.00), or Twenty Dollars (\$20.00) for individuals on Medicaid, Medicare, or SoonerCare. The methods of payment will be provided on the website.
- E. A temporary license application will also be available on the Oklahoma Department of Health website. A temporary medical marijuana license will be granted to any medical marijuana license holder from other states, provided that the state has a state regulated medical marijuana program, and the applicant can prove they are a member of such. Temporary licenses will be issued for thirty (30) days. The cost for a temporary license shall be One Hundred Dollars (\$100.00). Renewal will be granted with resubmission of a new application. No additional criteria will be required.
- F. Medical marijuana license applicants will submit their application to the Oklahoma State Department of Health for approval and that the applicant must be an Oklahoma state resident and shall prove residency by a valid driver's license, utility bills, or other accepted methods.
- G. The Oklahoma State Department of Health shall review the medical marijuana application, approve/reject the application, and mail the applicant's approval or rejection letter (stating reasons for rejection) to the applicant within fourteen (14) days of receipt of the application. Approved applicants will be issued a medical marijuana license which will act as proof of their approved status. Applications may only be rejected based on applicant not meeting stated criteria or improper completion of the application.
- H. The Oklahoma State Department of Health will only keep the following records for each approved medical license:

1. a digital photograph of the license holder;
2. the expiration date of the license;
3. the county where the card was issued; and
4. a unique 24 character identification number assigned to the license.

I. The Department of Health will make available, both on its website, and through a telephone verification system, an easy method to validate a medical license holders authenticity by the unique 24 character identifier.

J. The State Department of Health will ensure that all application records and information are sealed to protect the privacy of medical license applicants.

K. A caregiver license will be made available for qualified caregivers of a medical marijuana license holder who is homebound. The caregiver license will give the caregiver the same rights as the medical license holder. Applicants for a caregiver license will submit proof of the medical marijuana license holder's license status and homebound status, that they are the designee of the medical marijuana license holder, must submit proof that the caregiver is age eighteen (18) or older, and must submit proof the caregiver is an Oklahoma resident. This will be the only criteria for a caregiver license.

L. All applicants must be eighteen (18) years or older. A special exception will be granted to an applicant under the age of eighteen (18), however these applications must be signed by two (2) physicians and the applicant's parent or legal guardian.

M. All applications for a medical license must be signed by an Oklahoma Board certified physician. There are no qualifying conditions. A medical marijuana license must be recommended according to the accepted standards a reasonable and prudent physician would follow when recommending or approving any medication. No physician may be unduly stigmatized or harassed for signing a medical marijuana license application.

N. Counties and cities may enact medical marijuana guidelines allowing medical marijuana license holders or caregivers to exceed the state limits set forth in subsection A of this section.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 421 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma State Department of Health shall within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a medical marijuana dispensary license. The application fee shall be Two Thousand Five Hundred Dollars (\$2,500.00) and a method of payment will be provided on the website. Retail applicants must all be Oklahoma state residents. Any entity applying for a retail license must be owned by an Oklahoma state resident and must be registered to do business in Oklahoma. The Oklahoma State Department of Health shall have two (2) weeks to review the application, approve or reject the application, and mail the approval/rejection letter (if rejected, stating reasons for rejection) to the applicant.

B. The Oklahoma State Department of Health must approve all applications which meet the following criteria:

1. Applicant must be age twenty-five (25) or older;
2. Any applicant, applying as an individual, must show residency in the state of Oklahoma;
3. All applying entities must show that all members, managers, and board members are Oklahoma residents;
4. An applying entity may show ownership of non-Oklahoma residents, but that percentage ownership may not exceed twenty-five percent (25%);
5. All applying individuals or entities must be registered to conduct business in the state of Oklahoma;
6. All applicants must disclose all ownership;
7. Applicant(s) with only nonviolent felony conviction(s) in the last two (2) years, any other felony conviction in 5 (years), inmates, or any person currently incarcerated may not qualify for a medical marijuana dispensary license.

C. Retailers will be required to complete a monthly sales report to the Oklahoma Department of Health. This report will be due on the 15th of each month and provide reporting on the previous month. This report will detail the weight of marijuana purchased at wholesale and the weight of marijuana sold to card holders, and account for any waste. The report will show total sales in dollars, tax collected in dollars, and tax due in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown is accounted for. A retailer will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

D. Only a licensed medical marijuana retailer may conduct retail sales of marijuana, or marijuana derivatives in the form provided by licensed processors, and these products can only be sold to a medical marijuana license holder or their caregiver. Penalties for fraudulent sales occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 422 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma State Department of Health will within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a commercial grower license. The application fee will be Two Thousand Five Hundred Dollars (\$2,500.00) and methods of payment will be provided on the website. The Oklahoma State Department of Health has two (2) weeks to review application, approve or reject the application, and mail the approval/rejection letter (if rejected, stating reasons for rejection) to the applicant.

B. The Oklahoma State Department of Health must approve all applications which meet the following criteria:

1. Applicant must be age twenty-five (25) or older;
2. Any applicant, applying as an individual, must show residency in the state of Oklahoma;
3. All applying entities must show that all members, managers, and board members are Oklahoma residents;
4. An applying entity may show ownership of non-Oklahoma residents, but that percentage ownership may not exceed twenty-five percent (25%);
5. All applying individuals or entities must be registered to conduct business in the state of Oklahoma;
6. All applicants must disclose all ownership;
7. Applicant(s) with only nonviolent felony conviction(s) in the last two (2) years, any other felony conviction in 5 (years), inmates, or any person currently incarcerated may not qualify for a commercial grower license.

C. A licensed commercial grower may sell marijuana to a licensed retailer, or a licensed packager. Further, these sales will be considered wholesale sales and not subject to taxation. Under no circumstances may a licensed commercial grower sell marijuana directly to a medical marijuana license holder. A licensed commercial grower may only sell at the wholesale level to a licensed retailer or a licensed processor. If the federal government lifts restrictions on buying and selling marijuana between states, then a licensed commercial grower would be allowed to sell and buy marijuana wholesale from, or to, an out of state wholesale provider. A licensed commercial grower will be required to complete a monthly yield and sales report to the Oklahoma Department of Health. This report will be due on the 15th of each month and provide reporting on the previous month. This report will detail amount of marijuana harvested in pounds, the amount of drying or dried marijuana on hand, the amount of marijuana sold to processors in pounds, the amount of waste in pounds, and the amount of marijuana sold to retailers in lbs. Additionally, this report will show total wholesale sales in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown is accounted for. A licensed grower will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting or sales occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

D. There shall be no limits on how much marijuana a licensed grower can grow.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 423 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma State Department of Health shall within thirty (30) days of passage of this initiative, make available, on their website, in an easy to find location, an application for a medical marijuana processing license. The application fee shall be Two Thousand Five Hundred Dollars (\$2,500.00) and methods of payment will be provided on the website. The Oklahoma State Department of Health shall have two (2) weeks to review the application, approve or reject the application, and mail the approval/rejection letter (if rejected, stating reasons for rejection) to the applicant.

B. The Oklahoma State Department of Health must approve all applications which meet the following criteria:

1. Applicant must be age twenty-five (25) or older;
2. Any applicant, applying as an individual, must show residency in the state of Oklahoma;
3. All applying entities must show that all members, managers, and board members are Oklahoma residents;
4. An applying entity may show ownership of non-Oklahoma residents, but that percentage ownership may not exceed twenty-five percent (25%);
5. All applying individuals or entities must be registered to conduct business in the state of Oklahoma;
6. All applicants must disclose all ownership;
7. Applicant(s) with only nonviolent felony conviction(s) in the last two (2) years, any other felony conviction in 5 (years), inmates, or any person currently incarcerated may not qualify for a medical marijuana processing license.

C. A licensed processor may take marijuana plants and distill or process these plants into concentrates, edibles, and other forms for consumption. As required by subsection D of this section, the Oklahoma State Department of Health will, within sixty (60) days of passage of this initiative, make

available a set of standards which will be used by licensed processors in the preparation of edible marijuana products. This should be in line with current food preparation guidelines and no excessive or punitive rules may be established by the Oklahoma State Department of Health. Once a year, the Oklahoma State Department of Health may inspect a processing operation and determine its compliance with the preparation standards. If deficiencies are found, a written report of deficiency will be issued to the processor. The processor will have one (1) month to correct the deficiency or be subject to a fine of Five Hundred Dollars (\$500.00) for each deficiency. A licensed processor may sell marijuana products it creates to a licensed retailer, or any other licensed processor. Further, these sales will be considered wholesale sales and not subject to taxation. Under no circumstances may a licensed processor sell marijuana, or any marijuana product, directly to a medical marijuana license holder. However, a licensed processor may process cannabis into a concentrated form, for a medical license holder, for a fee. Processors will be required to complete a monthly yield and sales report to the Oklahoma State Department of Health. This report will be due on the 15th of each month and provide reporting on the previous month. This report will detail amount of marijuana purchased in pounds, the amount of marijuana cooked or processed in pounds, and the amount of waste in pounds. Additionally, this report will show total wholesale sales in dollars. The Oklahoma State Department of Health will have oversight and auditing responsibilities to ensure that all marijuana being grown is accounted for. A licensed processor will only be subject to a penalty if a gross discrepancy exists and cannot be explained. Penalties for fraudulent reporting occurring within any 2 year time period will be an initial fine of Five Thousand Dollars (\$5,000.00) (first) and revocation of licensing (second).

D. The inspection and compliance of processors producing products with marijuana as an additive. The Oklahoma State Department of Health will be compelled to, within thirty (30) days of passage of this initiative, appoint a board of twelve (12) Oklahoma residents, who are marijuana industry experts, to create a list of food safety standards for processing and handling medical marijuana in Oklahoma. These standards will be adopted by the agency and the agency can enforce these standards for processors. The agency will develop a standards review procedure and these standards can be altered by calling another board of twelve (12) Oklahoma marijuana industry experts. A signed letter of twenty (20) operating processors would constitute a need for a new board and standard review.

E. If it becomes permissible, under federal law, marijuana may be moved across state lines.

F. Any device used for the consumption of medical marijuana shall be considered legal to be sold, manufactured, distributed, and possessed. No merchant, wholesaler, manufacturer, or individual may unduly be harassed or prosecuted for selling, manufacturing, or possession of medical marijuana paraphernalia.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 424 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. A marijuana transportation license will be issued to qualifying applicants for a marijuana retail, growing, or processing license. The transportation license will be issued at the time of approval of a retail, growing, or processing license.

B. A transportation license will allow the holder to transport marijuana from an Oklahoma licensed medical marijuana retailer, licensed growing facility, or licensed processor facility to an Oklahoma licensed medical marijuana retailer, licensed growing facility, or licensed processing facility.

C. All marijuana or marijuana products shall be transported in a locked container and clearly labeled "Medical Marijuana or Derivative".

SECTION 6. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 425 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for his status as a medical marijuana license holder, unless failing to do so would imminently cause the school or landlord to lose a monetary or licensing related benefit under federal law or regulations.

B. Unless a failure to do so would cause an employer to imminently lose a monetary or licensing related benefit under federal law or regulations, an employer may not discriminate against a person in hiring, termination or imposing any term or condition of employment or otherwise penalize a person based upon either:

1. The person's status as a medical marijuana license holder; or
2. Employers may take action against a holder of a medical marijuana license holder if the holder uses or possesses marijuana while in the holder's place of employment or during the hours of employment. Employers may not take action against the holder of a medical marijuana license solely based upon the status of an employee as a medical marijuana license holder or the results of a drug test showing positive for marijuana or its components.

C. For the purposes of medical care, including organ transplants, a medical marijuana license holder's authorized use of marijuana must be considered the equivalent of the use of any other medication under the direction of a physician and does not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care.

D. No medical marijuana license holder may be denied custody of or visitation or parenting time with a minor, and there is no presumption of neglect or child endangerment for conduct allowed under this law, unless the person's behavior creates an unreasonable danger to the safety of the minor.

E. No person holding a medical marijuana license may unduly be withheld from holding a state issued license by virtue of their being a medical marijuana license holder. This would include such things as a concealed carry permit.

F. No city or local municipality may unduly change or restrict zoning laws to prevent the opening of a retail marijuana establishment.

G. The location of any retail marijuana establishment is specifically prohibited within one thousand (1,000) feet from any public or private school entrance.

H. Research will be provided under this law. A researcher may apply to the Oklahoma Department of Health for a special research license. That license will be granted, provided the applicant meet the criteria listed under Section 421. B. Research license holders will be required to file monthly consumption reports to the Oklahoma Department of Health with amounts of marijuana used for research.

SECTION 7. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 426 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The tax on retail medical marijuana sales will be established at seven percent (7%) of the gross amount received by the seller.

B. This tax will be collected at the point of sale. Tax proceeds will be applied primarily to finance the regulatory office.

C. If proceeds from the levy authorized by subsection A of this section exceed the budgeted amount for running the regulatory office, any surplus shall be apportioned with seventy-five percent (75%) going to the General Revenue Fund and may only be expended for common education. Twenty-five percent (25%) shall be apportioned to the Oklahoma State Department of Health and earmarked for drug and alcohol rehabilitation.

SECTION 8. The provisions hereof are severable, and if any part or provision hereof shall be void, invalid, or unconstitutional, the decision of the court so holding shall not affect or impair any of the remaining parts or provision hereof, and the remaining provisions hereof shall continue in full force and effect.

SECTION 9. This act shall become effective one (1) month immediately following its passage.

SIGNATURES

The gist of the proposition is as follows: This measure legalizes medical marijuana for residents with a recommendation from an Oklahoma Board Certified Physician. It also legalizes commercial medical marijuana dispensary, growing, and processing licenses regulated by the Department of Health. It protects card holders from discrimination and lowers penalties for unlicensed possession.

WARNING

It is a felony for anyone to sign an initiative or referendum petition with any name other than his own, or knowingly to sign his name more than once for the measure, or to sign such petition when he is not a legal voter.

RE: Ballot Title for State Question No. 788, Initiative Petition No. 412

Dear Secretary Benge:

In accordance with the provisions of 34 O.S.Supp.2015, § 9(D)(1), we have reviewed the Proposed Ballot Title for the above-referenced State Question and conclude that it does not comply with applicable laws for the following reasons.

It fails to adequately explain the effect of the proposition because, as among other things:

- it does not explain that marijuana will be a non-prescription drug nor accurately explain the role of the physician;
- it does not sufficiently address zoning restrictions insofar as it fails to specify that a municipality's power to restrict or change zoning laws is limited; and
- it does not explain that the measure would not affect constitutionally-enacted federal law to the contrary.

Having found that the Proposed Ballot Title does not comply with applicable laws, we will, in accordance with the provisions of 34 O.S.Supp.2015, § 9(D)(1), within ten business days, prepare a ballot title which complies with the law and furnish a copy to you.

Dear Secretary Benge:

Having found that the Proposed Ballot Title for the above-referenced State Question did not comply with applicable laws, we have, in accordance with 34 O.S.Supp.2015, § 9(D)(1), prepared the following Ballot Title. The Ballot Title reads as follows:

BALLOT TITLE FOR STATE QUESTION NO. 788

This measure legalizes the licensed use, sale, and growth of marijuana in Oklahoma. There are no qualifying medical conditions identified. Possession and use of marijuana is authorized through a medical marijuana license that is valid for two years, rather than by prescription. An Oklahoma board certified physician must recommend the license using the same accepted standards for recommending other medications, and must sign the application for the license. The State Department of Health must issue a license to an applicant who:

- submits a valid application,
- is eighteen years or older, and
- is an Oklahoma resident.

Applications for individuals under eighteen must be signed by two physicians and by a parent or legal guardian. The Department also issues seller, grower, packaging, transportation, research, and

caregiver licenses to those who meet certain minimal requirements. A 7 percent state tax is imposed on retail sales of marijuana. Unlicensed possession by an individual who claims to have a medical condition is punishable by a fine not exceeding \$400.

Local government cannot use zoning laws to prevent the opening of a retail marijuana store. This measure does not change federal law, which makes use, sale, and growth of marijuana illegal.

**BRIEF OF PETITIONER/PROPONENT REQUESTING REVIEW OF
SUBSTITUTED BALLOT TITLE PREPARED BY THE ATTORNEY GENERAL
IN CONNECTION WITH INITIATIVE PETITION 412**

This is a statutorily authorized appeal initiated pursuant to Title 34 O.S. 2015 § 9, whereby the petitioner seeks review and substitution of the corrected ballot titled proffered by the Oklahoma Attorney General on August 25, 2016, included and incorporated herein by reference.

THE FACTS CONCERNING BACKGROUND AND HISTORY OF FILING

This legal action is taken on behalf of two parties, Chip Paul, co-chairman for Oklahomans for Health and Philip Winters, one of the valid voter signatures to Initiative Petition Number 412. This is a measure which would amend Oklahoma law to wit: “This measure amends the Oklahoma State Statutes. A yes vote legalizes the licensed use, sale and growth of marijuana in Oklahoma for medicinal purposes and must be approved by an Oklahoma Board Certified Physician. The State Department of Health will issue medical marijuana licenses if the applicant is eighteen years or older and an Oklahoma resident. A special exception will be granted to an applicant under the age of eighteen, however these applications must be signed by two physicians and a parent or legal guardian. The Department will also issue seller, grower, packaging, transportation, research and caregiver licenses. Individual and retail businesses must meet minimal requirements to be licensed to sell marijuana to licensees. The punishment for unlicensed

possession of permitted amounts of marijuana for individuals who can state a medical condition is a fine not exceeding four hundred dollars. Fees and zoning restrictions are established. A seven percent state tax is imposed on medical marijuana sales.” (See **Exhibit A, attached hereto and incorporated herein by reference**) The measure is to be approved or rejected by the legal voters of the State of Oklahoma at the regular general election to be held on November 8, 2016 or a later date designated by the Governor of the State of Oklahoma.

Pursuant to the statutory requirements found in Title 34 O.S. § 9.D.1, the Oklahoma Secretary of State informed the Attorney General of the filing of the petition and submitted the same to him for review as to legal correctness. The Attorney General, “within five (5) business days after the filing of the measure and ballot title...shall notify the Secretary of State whether or not the proposed ballot title complies with applicable law” *Id.* He did so by notification dated August 18, 2016. (See **Exhibit B, attached hereto and incorporated herein by reference**) The Attorney General submitted a new ballot title on the proposed question to the Oklahoma Secretary of State on August 25, 2016. To wit:

“This measure legalizes the licensed use, sale and growth of marijuana in Oklahoma. There are no qualifying medical conditions identified. Possession and use of marijuana is authorized through a medical marijuana license that is valid for two years, rather than by prescription. An Oklahoma board certified physician must recommend the license using the same acceptable standards for recommending other medications, and must sign the application for the license. The State Department of Health must issue a license to an applicant who:

- Submits a valid application;
- Is eighteen years or older, and
- Is an Oklahoma resident.

Applications for individuals under eighteen must be signed by two physicians and by a parent or legal guardian. The Department also issues seller, grower, packaging, transportation, research, and caregiver licenses to those who meet certain minimal requirements. A 7 percent state tax is imposed on retail sales of marijuana. Unlicensed possession by an individual who claims to have a medical condition is punishable by a fine not exceeding \$ 400.

Local government cannot use zoning laws to prevent the opening of a retail marijuana store. This measure does not change federal law, which make use, sale, and growth of marijuana illegal.”

(See Exhibit C, attached hereto and incorporated herein by reference)

PETITIONER'S OBJECTION TO SUBSTITUTED BALLOT TITLE

1. THE PETITIONER'S ORIGINAL BALLOT TITLE DOES NOT RUN AFOUL OF OKLAHOMA LAW AND IS LEGALLY CORRECT

The Attorney General is to review the petition “for review as to legal correctness under 34 O.S. § 9(D)1.

Petitioners believe the Initiative Petition and Ballot Title complied with the law. Title 34 § 9(B) clearly outlines the requirements for “the suggested ballot title”:

“ B. The parties submitting the measure shall also submit a suggested ballot title which shall be filed on a separate sheet of paper and shall not be deemed part of the petition. The suggested ballot title:

1. Shall not exceed two hundred (200) words;

2. Shall explain in basic words, which can be easily found in dictionaries of general usage, the effect of the proposition;
3. Shall be written on the eighth-grade reading comprehension level;
4. Shall not contain any words which have a special meaning for a particular profession or trade not commonly known to the citizens of this state;
5. Shall not reflect partiality in its composition or contain any argument for or against the measure;
6. Shall contain language which clearly states that a "yes" vote is a vote in favor of the proposition and a "no" vote is a vote against the proposition; and
7. Shall not contain language whereby a "yes" vote is in fact, a vote against the proposition and a "no" vote is, in fact, a vote in favor of the proposition."

The proposed title submitted by the Petitioner complies with § 9(B).

2. THE SUBSTITUTED BALLOT TITLE NEGATES THE INTENT OF THE ORIGINALLY FILED INITIATIVE PETITION

The Attorney General proposed ballot title rewritten explains;

The measure would "legalize the licensed use, sale and growth of marijuana in Oklahoma." Further, "There are no qualifying medical conditions identified".

This language would mislead the voters and or make argument against or show partiality. Specifically, he would lead voters to believe they are either legalizing marijuana for general purposes and/or would confuse voters by his language used rather than the original language of marijuana for medical purposes. Specifically, "marijuana for medicinal purposes and must be approved by an Oklahoma Board certified Physician".

The Attorney General's proposed ballot title violates Title 34(B)(4) in that it "shall not reflect partiality".

The Attorney General expresses his belief that "the measure does not change federal law, which make use, sale and growth of marijuana illegal".

Thus, would mislead voters and or make argument against or show partiality.

CONCLUSION

Pursuant to Title 34 O.S. § 10.A, the Petitioner respectfully requests this Court to reject the Attorney General's amended ballot title in reference to Initiative Petition No. 412 and restore the Petitioner's ballot title in Exhibit A to the Petition.

OKLAHOMA SECRETARY
OF STATE

An initiative petition has been circulated in the State of Oklahoma, seeking the approval by the electorate of State Question No. 788, a proposed new law, to be codified at Oklahoma Statutes Title 63, §420, which would legalize medical marijuana for residents with a recommendation from an Oklahoma Board Certified Physician and legalize medical marijuana dispensaries with growing and processing licenses.

In accordance with 34 O.S. Supp. 2015 § 8, the Court recognizes the certification of the Secretary of State that the petition contains 67,801 signatures. The Court further recognizes that the number of signatures necessary to place the measure before the electorate is 65,987, being 8% of the votes cast for the office Governor in the November, 2014 general election. Okla. Const. Art. 5 § 2. The signatures on the petition appear numerically sufficient.

The Secretary of State is directed forthwith to cause to be published in at least one newspaper of general circulation in the State of Oklahoma, a public notice

of the filing of Initiative Petition No. 412, State Question No. 788, and of the apparent numerical sufficiency of the signatures. The Secretary of State shall also publish the text of the ballot title as rewritten by the Attorney General pursuant to 34 O.S.Supp.2015 § 9(D). The notice shall advise that any citizen of the State of Oklahoma may file a written objection to the signature count, or the rewritten ballot title, in the office of the Clerk of the Supreme Court of the State of Oklahoma, with a copy directed to the proponents of the petition and the Attorney General. Any such objection must be filed with the Clerk of the Supreme Court not later than ten (10) days from the date of publication. A copy of the objection must also be filed with the Secretary of State.

Proceedings in the Supreme Court to resolve any objection shall be in accordance with 34 O.S.Supp.2015 §§ 8-11, and such other procedures as may be ordered by the Court.

The Secretary of State is directed to obtain verified proof of publication of the notice herein directed, and to file the same with the Clerk of this Court as a return to this order.

PRELIMINARY BALLOT TITLE FOR SQ 788, as rewritten by the Attorney General

This measure legalizes the licensed use, sale, and growth of marijuana in Oklahoma. There are no qualifying medical conditions identified. Possession and use of marijuana is authorized through a medical marijuana license that is valid for two years, rather than by prescription. An Oklahoma board certified physician must recommend the license using the same accepted standards for recommending other medications, and must sign the application for the license. The State Department of Health must issue a license to an applicant who:

- submits a valid application,
- is eighteen years or older, and
- is an Oklahoma resident.

Applications for individuals under eighteen must be signed by two physicians and by a parent or legal guardian. The Department also issues seller, grower, packaging, transportation, research, and caregiver licenses to those who meet certain minimal requirements. A 7 percent state tax is imposed on retail sales of marijuana. Unlicensed possession by an individual who claims to have a medical condition is punishable by a fine not exceeding \$400.

Local government cannot use zoning laws to prevent the opening of a retail marijuana store. This measure does not change federal law, which makes use, sale, and growth of marijuana illegal.

STATE OF OKLAHOMA, TO:

CHRIS BENGE, SECRETARY OF STATE, STATE OF OKLAHOMA

GREETINGS:

RECEIVED
SEP 13 2016
OKLAHOMA SECRETARY
OF STATE

ORDER

An initiative petition has been circulated in the State of Oklahoma, seeking the approval by the electorate of State Question No. 788, a proposed new law, to be codified at Oklahoma Statutes Title 63, §420, which would legalize medical marijuana for residents with a recommendation from an Oklahoma Board Certified Physician and legalize medical marijuana dispensaries with growing and processing licenses.

In accordance with 34 O.S. Supp. 2015 § 8, the Court recognizes the certification of the Secretary of State that the petition contains 67,801 signatures. The Court further recognizes that the number of signatures necessary to place the measure before the electorate is 65,987, being 8% of the votes cast for the office Governor in the November, 2014 general election. Okla. Const. Art. 5 § 2. The signatures on the petition appear numerically sufficient.

The Secretary of State is directed forthwith to cause to be published in at least one newspaper of general circulation in the State of Oklahoma, a public notice

of the filing of Initiative Petition No. 412, State Question No. 788, and of the apparent numerical sufficiency of the signatures. The Secretary of State shall also publish the text of the ballot title as rewritten by the Attorney General pursuant to 34 O.S.Supp.2015 § 9(D). The notice shall advise that any citizen of the State of Oklahoma may file a written objection to the signature count, or the rewritten ballot title, in the office of the Clerk of the Supreme Court of the State of Oklahoma, with a copy directed to the proponents of the petition and the Attorney General. Any such objection must be filed with the Clerk of the Supreme Court not later than ten (10) days from the date of publication. A copy of the objection must also be filed with the Secretary of State.

Proceedings in the Supreme Court to resolve any objection shall be in accordance with 34 O.S.Supp.2015 §§ 8-11, and such other procedures as may be ordered by the Court.

The Secretary of State is directed to obtain verified proof of publication of the notice herein directed, and to file the same with the Clerk of this Court as a return to this order.

DONE BY ORDER OF THE SUPREME COURT IN CONFERENCE THIS

INITIATIVE PETITION NO. 412,) No. 115,287
STATE QUESTION NO. 788)

MICHAEL S. RICHIE
CLERK

**NOTICE OF OBJECTION TO
SIGNATURE COUNT CERTIFIED BY OKLAHOMA SECRETARY OF STATE**

COME NOW, Chip Paul and Phillip Winters, Oklahomans for Health, Proponents of the Initiative Petition at issue herein, and give notice of their objection to a portion of the signature count certified by the Oklahoma Secretary of State in its August 25 letter to the Chief Justice of this Honorable Court. This objection is made pursuant to the Court’s Order of September 12, 2016, and in compliance with 34 O.S. § 8(K). In support of said objection, Proponents state as follows:

1. On or about August 25, 2016, the Oklahoma Secretary of State certified that Initiative Petition No. 412 received 67,801 valid signatures, following the physical counting of 3,895 pages of signatures. This certification letter is attached as Exhibit A.
2. The required number of signatures to place No. 412 before Oklahoma voters in 65,987. As such, the signature count certified by the Secretary of State is sufficient to put State Question 788 to a vote of the people. Proponents do not challenge or object to this sufficiency.
3. Exhibit A also certified that signatures appearing on pages 3,806 through 3,891 were “not included in such physical count due to improper/incomplete notarizations or incomplete circulator affidavits.” Exhibit A, at 1. Proponents object to the certified signature count solely concerning the exclusion of a portion of these pages, as more fully set out below.

RECEIVED

SEP 30 2016

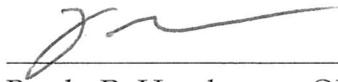

**OKLAHOMA SECRETARY
OF STATE**

4. Proponents' review of pages 3,806 through 3,891 indicates many of them should be subject to counting under Oklahoma law. This objection to their exclusion will become moot if no challenge has been or is timely filed with this Court to the overall sufficiency of signatures to place State Question 788 on the ballot. Should no challenge be filed, Proponents intend to move to dismiss this objection due to mootness, as preservation of Proponents' rights to challenge the exclusion of signatures will no longer be necessary.
5. When examining potential notarization defects or affidavit defects, 34 O.S. § 6.1(A)(7), in pertinent part, requires exclusion only of signatures in which "a notary has failed to sign, the seal of the notary is absent, the commission of the notary has expired, or the expiration date is not on the signature sheet." 34 O.S. § 6.1(A)(7).
6. Proponents' review of pages 3,806 through 3,891 demonstrates the following apparent notarization omissions or errata that Proponents contend should not invalidate the lawfully rendered signatures of the Oklahoma voters included therein:
 - a. On pages 3,807, 3,809, 3,816, 3,823, 3,842, 3,855, 3,857-3,859, and 3,861-3,863, the county was omitted from the style appearing at the top of the petitioner's affidavit. However, the state of Oklahoma was listed at the top, along with all other requisite information for substantial compliance with 34 O.S. §6. As such, this insubstantial omission should not preclude counting of the signatures appearing on these pages.
 - b. On pages 3,878-3,880 and 3,882, a scrivener's error appears in which one element of the date of notarization was mistakenly filled in to match the notary's date of commission expiration. The remainder of the date is filled in accurately. The error is readily intelligible and giving effect to the scrivener's error would create the absurdity of certifying that the pages in question were notarized in 2017 and 2020 respectively. As such, this insubstantial error should not preclude counting of the signatures appearing on these pages.

- c. Page 3,806 includes no defect apparent on its face, but further research indicates that the notary's listed address may not match the address currently displayed in an online public record check of the state's notary public database. However, the notary public otherwise completed the notarization correctly, signed and sealed it, and is registered as currently in active commission as a notary public, and thus empowered to complete the process required by 34 O.S. § 6. As such, a records discrepancy as to the notary's address should not preclude counting of the signatures on this page.
 - d. Pages 3,808, 3,811-3,815, 3,817-3,818, 3,824-3,825, 3,827-3,841, 3,843-3,854, and 3,856 contain both the omission of County detailed in Subsection a., above, and the address discrepancy detailed above in Subsection c., but no apparent substantive deficiencies. The combination of insubstantial omission and insubstantial records discrepancy should not preclude counting of the signatures on these pages.
7. None of the omissions or errata discussed are listed in 34 O.S. § 6.1 as reasons for exclusion from counting.
 8. Inclusion of the pages described above would add presumptively up to 977 signatures to the signature count for State Question 788, beyond the 67,801 previously certified by the Oklahoma Secretary of State.

WHEREFORE, Proponents give notice of their objection, and their request that the pages detailed above be examined and, if the Court finds it appropriate, added to the signature count for State Question 788. Should this request be made moot by the absence of any challenge to the sufficiency of signatures to place State Question 788 before the electorate, Proponents will move this Court to dismiss this objection as soon as practicable.

RE: Secretary of State's Certification to the Court of the Physical Signature Count for State Question 788, Initiative Petition 412 (subject: Medical Marijuana)

Dear Chief Justice Reif:

Pursuant to the provisions of Title 34 O.S., Sections 6.1 and 8, the Secretary of State certifies to the Supreme Court the following details:

- Six (6) boxes of signature pamphlets, for State Question 788, Initiative Petition 412, were received by our office on August 11, 2016.
- The Secretary of State began the physical count of signatures on August 18, 2016 at 1:00 p.m. Said count was concluded on August 23, 2016 at 4:00 p.m.
- Individual signature sheets are page numbered 1 through 3,895 and bound in a total of 20 volumes. Volumes 1 through 19 contain 200 signature sheets per volume and Volume 20 contains a total of 95 signature sheets.
- Several signatures on page 3,804 were not included in the count as they were duplicates of signatures which had first appeared and were counted on page 3,803.
- Page numbers 3,806 through 3,891 were not included in such physical count due to either improper/incomplete notarizations or incomplete circulator affidavits.
- The Secretary of State certifies the total number of signatures counted for State Question 788, Initiative Petition 412 is **67,801**.
- The Secretary of State affirms the State Election Board has certified that a total of 824,831 votes were cast for the office of Governor at the General Election in November 2014.

Exhibit A

- The Secretary of State also certifies that proponents' proposed ballot title was submitted to the Attorney General's office August 15, 2016 for review as to legal correctness. The Attorney General's ballot title review was filed with the Secretary of State's office on August 18, 2016.

In support of the details so certified, please find attached the following documents:

INITIATIVE PETITION NO. 412,) No. 115,287
STATE QUESTION NO. 788)

MOTION TO DISMISS PROPONENTS' OBJECTION TO OKLAHOMA SECRETARY OF STATE
SIGNATURE COUNT CERTIFIED BY OKLAHOMA SECRETARY OF STATE

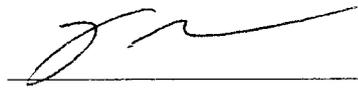

COME NOW, Chip Paul and Phillip Winters, Oklahomans for Health, Proponents of the Initiative Petition at issue herein, and move to dismiss their own previously filed objection to signature count certified by the Oklahoma Secretary of State. In support of said objection, Proponents state as follows:

1. On or about August 25, 2016, the Oklahoma Secretary of State certified that Initiative Petition No. 412 received 67,801 valid signatures. The required number of signatures to place No. 412 before Oklahoma voters is 65,987. As such, the signature count certified by the Secretary of State is sufficient to put State Question 788 to a vote of the people.
2. On September 29, 2016, Proponents filed an Objection to the certified signature count (though not the sufficiency), arguing that up to 977 additional signatures should have been counted.
3. Since the September 29 filing, the deadline for objections or protests to the signature certification by the Oklahoma Secretary of State has now passed. No protest or objection to the sufficiency of the signatures certified has been filed. As such, Proponents' objection has become moot since State Question 788 has sufficient certified voter signatures to place it before the electorate regardless of whether any or all of the 977 additional signatures are added.

WHEREFORE, Proponents give notice of the mootness of their Objection to Signature Count filed previously herein, and move this Honorable Court to dismiss

that Objection, so that the outstanding controversy of the State Question's re-write by the Oklahoma Attorney General can be resolved with dispatch, and an appropriately worded ballot title for S.Q. 788 may be placed before the Oklahoma electorate.

Respectfully submitted,
